Volunteer Position Descriptions

*Makerspace Volunteer: We are looking for creative high school students to volunteer for our new Makerspace program! A Makerspace is a place where people can come and create anything they can imagine. We need individuals that have special skills or interests, including but not limited to: art, computer coding, theater, knowledge of electrical wiring and circuits, music, science, gardening, woodworking, or any other skill or hobby. Volunteers would need to be available during the summer on Mondays between 3 and 5 p.m. or Thursdays between 10 a.m. and noon. We need responsible individuals who are comfortable working with the public and can help supervise the Makerspace activities and clean up after programs.

*Public Relations Volunteer: This position is open to high school students who are interested in writing and photography! We are looking for a volunteer to take photos at our Summer Reading Program events and send short articles to the local newspapers. Must have good writing skills and your own digital camera or cell phone to take photographs.

*Event Staff: We always need extra helpers during our summer events! If you are comfortable being around younger children and are open to helping with arts and crafts, games or similar activities, this would be a great position for you! Applicants need to be available at least one of the following dates: June 2 from 5-7 p.m., June 17 from 10 a.m. to noon, July 7 from 10 a.m. to noon or July 15 from 10 a.m. to noon. Open to middle and high school ages.

*Adopt a Shelf: Are you a neat freak? Do you think organizing is fun? Apply to be an Adopt a Shelf volunteer! For this position, you will be assigned a section of the library to keep tidy and organized. Time commitment would be one hour once a week at the Pulaski Library. Open to middle and high school ages.

*Story Time Volunteer: This would be a great position for a middle or high school student who likes working with preschool-age children. As a Story Time Volunteer, you would help us set up for preschool story time, aid in simple craft activities and potentially be a guest reader! Applicants for this position need to be available during one of the following time slots: Mondays from 5:30 to 7 p.m. at the Pulaski Library, Tuesdays from 10 to 11:30 a.m. at the Dublin Library or Wednesdays from 10:30 to noon at the Pulaski Library.
