

# MAKERSPACE

All ages welcome!

At the  
Pulaski County  
Library

## Makerspace Schedule

The *First Makerspace Day* will  
be Thursday June 1 10:00 am-  
Noon

The cart will be open to patrons

Mondays 3:00-5:00 pm

Thursdays 10:00 am-Noon

These are open times and patrons  
can come create anytime during  
these hours.

The Makerspace cart will be stocked with  
items to create anything you can imagine.  
Items include but are not limited to:

**MakeyMakey**

**Assorted crafting and art supplies**

**Found objects**

**Jewelry Making Supplies**

**Button maker**

**Book Binder**

**Perler beads**

**Planters and gardening projects**

There will be new challenges each week  
with a portfolio featuring staff chosen project  
ideas to get you started and much more!

## What is a makerspace?

Makerspaces are for anyone and  
everyone that wants to create  
something no matter your age...

Makerspaces are popping up in  
libraries across the country and we  
would like to bring one to Pulaski  
County.

It will be a place where people can  
come and create anything they can  
imagine.

Patrons can share ideas and suggest  
projects. We will provide a "Project of  
the Week" that will be only a  
suggestion but not the only possibility.
